

THANK YOU!

Working together for Mile End

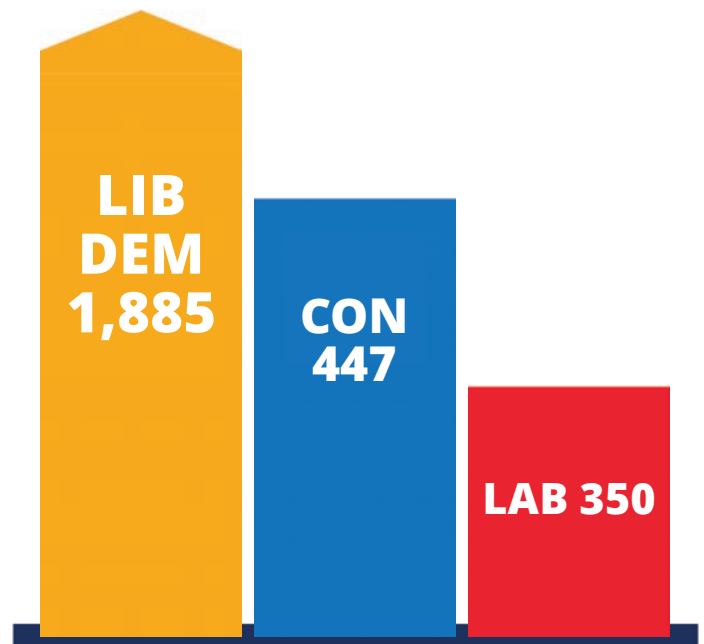

The results in Mile End!

A huge THANK YOU from David King, Phil Coleman and Martin Goss. You told us you loved what we did and then you showed it! **Electing David** with a 1,438 majority. More than all other votes cast. **Thank You!**

Lib Dems 1,885 or 66% of the vote
Conservatives 447 or 16%
Labour 350 or 12% and Greens 163 or 6%

David said 'Resident support is both **humbling and encouraging**. We promise to keep fighting your corner. To help, inform and support you all as best we can, always.'

NEW! Lib Dem led Colchester Council

Lib Dems did well across Colchester. Winning 3 seats from the Conservatives they now lead Colchester Council.

We WILL tackle some of the biggest challenges to Colchester, including sustainability, climate change, and the cost-of-living crisis. And we will focus on what makes for quality of life, from bins to parks.

We will help the most vulnerable with a new crisis fund and an even better support team to help people find help in these difficult times. We are here for you!

The Mile End Team: Phil Coleman, Anne Turrell, Martin Goss and David King

Profile of Cllr Phil Colman

Phil has been a Lib Dem Councillor for Mile End since May 2016. A former professional footballer, with Millwall and Colchester United Phil secured a BA Honours degree in Sport and Education after retiring from playing. Phil is a PE teacher at the Sigma Sports academy at Philip Morant School and College. Having taught before at The Gilbert School and The Colne Community School and College. He has made **a lasting positive impression on many** students and residents. And is a passionate advocate for better sports and leisure facilities for young people.

Team ACTION!

David potholes, road improvements, safer cycling, and the arrival of Trinity School!
Martin: litter warrior extraordinaire, pressing developers for better service.
Phil: fighting for more sports facilities, basketball court repairs, tackling ASB, speeding and taking a stroll with the police!
More later!
